To View a Student's Current In-Progress Class Average in Real Time from a Teacher's Grade book

The screenshot shows a navigation bar with tabs: Student, Contacts, Schedule, Attendance, Discipline, Grades, Assignments, and Notes. A yellow arrow points to the 'Grades' tab. Below the tabs, there is a 'View' section with two dropdown menus: 'Marking Period Average' and 'Marking Period 1'. Below this is a table header with columns: Course, Teacher, MP, Days, Period, Section, and Average.

From the Grades Tab

Using the drop down menu next to "VIEW" select "MARKING PERIOD AVERAGE"

Make sure the drop down next to "FOR" is set to the current marking period

Student's current average (to two places past the decimal) will display in the column labeled "AVERAGE"
