HOME OF THE RED KNIGHTS

Copies of the Budget, School District Report Card, Tax Exemption Impact Reports and the Salary Disclosure are available in the district and also on the district website.

School Budget Vote Tuesday, May 16

The proposed 2023-2024 school budget includes an increase in spending of 2.53% from last year's school budget, for a total budget of \$12,343,431, resulting in a 2.58% tax levy increase, which is below the tax levy cap. Once again, the proposed budget balances the needs of both the taxpayers and our children through the maintenance of all academic programs, as well as, Arts and Athletics. Furthermore, it includes the purchase of two new buses. The overall fiscal plan continues to make use of federal funding

to support the district's small class size initiative and social-emotional learning support for students. Our focus remains on providing a quality education to students while being fiscally responsible to taxpayers. We appreciate your continued support.

Voters will also elect one member to the Board of Education. Incumbent, Mr. Matthew Timerman is running for another five-year term. There were no other petitions filed for nominations.

Absentee Ballot Information

Voters will be able to participate in the May 16 school budget vote, board election, and reserve proposition by way of traditional in-person voting or by absentee ballot, upon request, due to a lawful reason.

2. Seal your ballot in the specially marked envelope.
3. Complete the front of the envelope. Sign the back of the envelope to indicate that you have read it.

What is a “tax levy limit”?

Essentially, the tax levy limit tells a school district how much voter support it will need to pass a budget with its proposed tax levy. For school districts, the tax levy limit is the highest allowable tax levy (before exclusions) that a school district can propose as part of its annual budget and

need the approval of only a simple majority of voters (50 percent plus 1) to pass the budget. If a district proposes a budget with a tax levy amount (before exclusions) above this limit, it will need the approval of a supermajority of voters (60 percent) to pass the budget.

School districts are required to report their calculated tax levy limit to the State Comptroller by March 1.

Candidate for Member of the Board of Education

In addition to the school tax levy vote there will be a school board election on the ballot. You will be voting on one seat for a five year term. There is one individual, Matthew Timerman, certified to run for a seat on the school board.

School Board Candidate

Mr. Matthew Timerman and his family live on Orleans Cemetery Road, LaFargeville, in a house that has been in his family for over 100 years. Matthew graduated from LaFargeville Central School in 1992 and received his Bachelor’s Degree from Cornell University. He and his wife, Mary, have three boys. Currently, Matthew works for the City of Watertown Fire Department as Fire Chief. Mr. Timerman has been with the City for 26 years, having started as a firefighter in 1997. His family and he own and operate LaFargeville Agway/True Value.

Bus Replacement

The district has included within the proposed budget to purchase two school buses at an amount not to exceed \$303,558. The proposed bus purchase is part of an ongoing replacement plan designed to phase out older, high-mileage vehicles to avoid the cost inefficiencies related to keeping them in service.

STAR Eligibility

Community members who own a home can significantly reduce their school property taxes through a School Tax Relief (STAR) benefit. Homeowners must apply through their town assessor's office.

If you currently receive your STAR benefit as a reduction on your school tax bill (the STAR exemption), you may receive a greater benefit if you switch to the STAR credit to receive a check instead.

Recent changes in the law:

- The value of the STAR credit savings may increase by as much as 2% each year, but the value of the STAR exemption savings will not increase.
- The income limit for the Basic STAR exemption is \$250,000.

If your income is **more than \$250,000**, you **must** switch to the STAR credit to continue receiving a STAR benefit.

Eligible Homeowners	Basic STAR	Enhanced STAR
Residency	You must own your home and it must be your primary residence.	
Age	No age restriction	65 or older
Income	\$500,000 or less for the STAR credit (\$250,000 or less for the STAR exemption)	\$93,200 or less for the 2023-2024 school year.

How is the tax levy different from a tax rate?

The tax levy is the total amount of money that the district raises from local taxpayers, while the tax rate is the amount of tax residents pay per \$1,000 of property value.

In 2023-24, the school tax levy would increase by \$110,253 or 2.58% under the proposed budget.

School tax rates will be determined in August after the district receives town property assessments.

Proposition #3: Establishment of a Capital Reserve Fund

May 16
REMEMBER TO VOTE

If approved, Proposition No. 3 would authorize the Board of Education to establish a new ten year Capital Reserve Fund in an amount not to exceed \$3,000,000, inclusive of investment earnings, to be used for renovations and additions to all District facilities, purchase of vehicles, buses and equipment, technology upgrades, classroom equipment and/or school infrastructure equipment,

site development, athletic fields, storm and sanitary sewer, driveways, and parking lots. Funding for this reserve would come from year-end budget surplus funds known as unassigned fund balance.

Residents must approve the use of the funds for specific capital projects in a separate vote.

The establishment of the Capital Reserve Fund will have no additional impact on the 2023-24 school district budget or tax levy.
