#### Message from the Jefferson-Lewis-Hamilton-Herkimer-Oneida Board of Cooperative Educational Services

The attached 2025-2026 proposed budget represents several months of work by members of the Board of Cooperative Educational Services and BOCES staff. We begin developing the budget in October. The BOCES District Superintendent and Central Office Administrators meet with component Superintendents and their administrative teams to identify new programs, new staff and staff development proposals that must be submitted to the State Education Department for approval. In the months between November and April, BOCES program administrators meet with local administrators and identify student needs for the next school year. Central Office Administrators are available to make presentations to Boards of Education. We are sensitive to the current fiscal constraints placed on our component districts and have worked hard to minimize increases in cost while at the same time sustaining high quality programs. In keeping with that effort, our 2025-2026 budget represents an increase of 8% over the 2024-2025 exclusive of Federal and State Grant programs. The Administration portion of the budget represents 7% of the total budget. In keeping with Section §1950 of Education Law all retirees' health costs must be included in the Administration portion of the budget regardless of the BOCES program to which they were assigned. 84% of the Administrative budget is attributed to retiree health insurance costs.

The full budget will be presented at 7:00 p.m. at our Annual Meeting on April 2, 2025 at the Jefferson Lewis BOCES, Conference Room A/B, located at 20104 State Route 3, Watertown, NY 13601. The Administration portion of the budget will be voted on by component district Boards of Education on April 14, 2025. Once adopted, that part of the budget will not change for the next school year. In contrast, the service part of the budget may be adjusted as districts request new or expanded programs. In accordance with statute, the Board will finalize its projected budget at its meeting May 21, 2025 and submit it to the State Education Department.

Unlike local district budgets, our "tax levy" to component districts represents the full cost of operating programs. It is not offset by state aid or unexpended dollars from the previous year. In keeping with Section §1950 of Education Law, BOCES is required to return any unexpended funds to our component schools. School districts receive BOCES aid, excess cost and transportation aids on most expenditures in the year following the delivery of services. Aid on classrooms rented by BOCES from component districts is paid in the current year.

If you have suggestions or comments regarding the proposed 2025-2026 budget, please bring them to our attention. Through your cooperation and support of shared programs, we are able to serve the students and staff of our districts in the many ways that are outlined on the following pages. Thank you for your support.

He began the presentation by thanking Barry Entwissle, NYSBBA for attending and all those in attendance from various school districts. The Board begins the initial development of the budget in October. In keeping with that effort our 2024-2025 budget represents a 3.2% increase over 2023-2024 exclusive of Federal and State Grant Programs. The Administration portion of the Budget represents 8% of the total budget. In keeping with Section 1950 of Education Law all retirees' health insurance costs must be included in the Administration portion of the budget regardless of the BOCES program to which they were assigned. 78% of the Administrative budget is attributed to retiree health insurance costs. He discussed the increase in the CTE budget due to the increase in enrollment in programs.

Mr. Todd asked if there were any questions related to the budget. Hearing none the meeting continued. Chairperson Young-Klindt thanked District Superintendent Todd for his concise and informative presentation. In closing Chairperson Young-Klindt indicated that three vacancies exist on the Board of Cooperative Educational Services. #### BOCES & 302 Globe, LLC Announce Expansion into Downtown Watertown

Jefferson-Lewis BOCES and 302 Globe, LLC are pleased to announce an agreement that will allow BOCES to expand into Downtown Watertown through leasing 13,000 square feet of space in the historic Globe Building on Court St. as of July 1, 2025.

This expansion of BOCES educational services into the downtown area is being made possible through an arrangement with building owners, 302 Globe, LLC., as well as support from numerous community and government agencies/partners.

#### **Our View**

"Being the only librarian in my district, the support provided by the School Library System at BOCES has been invaluable to me and how I do my job. Not only does it provide relevant and timely professional development and student products like Sora and Research Rocket, but it also gives me an opportunity to meet with peers to work through issues and brainstorm fun and innovative ideas for our library programs."

- Caitlin Vickery, District Librarian, South Jefferson Central School District

"The Jefferson-Lewis BOCES Office of Programs and Professional Development has been an invaluable strategic partner for the Adirondack Central School District. Andrea and her dedicated team consistently provide targeted, high-quality professional learning opportunities that align with our district's goals and the evolving educational landscape. Beyond their exceptional catalog offerings, they offer critical guidance, clarity, and stability in a time of constant change. Their expertise has played a vital role in supporting our educators, etrengthening retention, and ensuring we remain at the forefront of best practices in education."

- Michael Faustino, Director of Curriculum, Instruction, and Technology, Adirondack Central School District
